Equine Photography

Whether you want to create a professional portfolio for your stallion or sale horses, or just capture the beauty of your own horse for your personal enjoyment, I can help you preserve your horse's fine qualities on film. After establishing your goals, a photography session can be laid out that will be best suited to you. We also do

photography at horse shows recording class winners for clubs & sponsors as well as personal photo opportunities. See our website to book a date or to see where we are booked in the current year. Prints can be chosen and ordered from your personal albums on-line and payment can be made through PayPal using your credit card or electronic cheque, or we accept orders by

mail with an accompanying cheque.

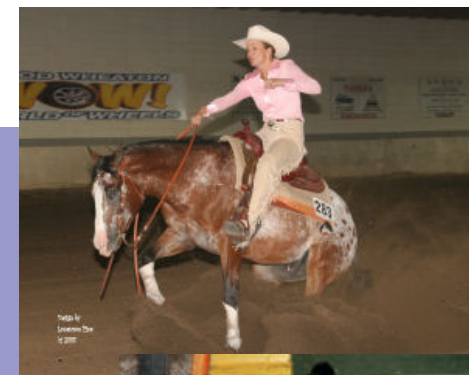

Full profile packages are available for those promoting their stallion or sale horses - make that first impression your customers get be a lasting one.

- Casual and formal photo portraits taken for personal use also available
- Reprints and enlargement service
- Photo sessions held on your premises or at specially requested locations.
- Pet photography also available.

Web Design
